

At Astrion, a transformative evolution of Oasis Systems and ERC, we are always moving, always innovating, and always looking ahead to create a positive impact for our customers and the nation. The legal contracting party that holds this contract, remains unchanged because of the transaction.

Our customers and nation need a partner who's ready for what's next, who sees the unseen with the knowledge and resources to shape a purposeful future. Working together, Astrion is a partner for progress to move the nation forward with smart and innovative solutions to be ready for what's next.

About OASIS Vehicle

The One Acquisition Solution for Integrated Services (OASIS) Unrestricted (UNR) contract is a family of multiple award, Indefinite Delivery Indefinite Quantity (IDIQ) contracts that provide flexible and innovative solutions for complex professional services. The OASIS UNR contracts span 28 NAICS codes and six exceptions across seven individual award pools.

OASIS, sponsored under the General Services. The core disciplines of OASIS UNR include:

- Program management services
- Management consulting services
- Logistics services
- Engineering services
- Scientific services
- Financial services

OASIS UNR is designed to provide customers with maximum flexibility in contracting.
